

January 31, 2008

Office of Secretary  
Federal Communications Commission  
Attn. Public Safety and Homeland Security  
Bureau Chief Derek K. Poarch  
445 12th St., S.W.  
Washington, D.C. 20554

Chief Poarch:

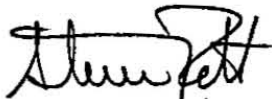

Attached to this document please find information supplementing the submission of the Region 22 700 MHz Plan Amendment as required by the FCC Second Report and Order adopted on July 31, 2007, PS Docket 06-229. The documents submitted with this filing include concurrence from the four adjacent regions – Region 45, Region 15, Region 22, and Region 32, as requested by policy division staff.

The amendment was filed December 14, 2007, but did not include adjacent region concurrence. The amendment included a narrative description of the changes made to the Plan, as well as revised Attachments 7 and 8. We believe the changes to the Plan are consistent with the requirements of Report and Order.

Several very important Public Safety projects are underway within our region, and approval of the Plan Amendment will allow agencies in Minnesota to move forward with waiver requests, so those projects can be completed.

If you have any questions or need more information, please contact me at 651-430-7615 or [steve.pott@co.washington.mn.us](mailto:steve.pott@co.washington.mn.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Pott", with a stylized flourish at the end.

Steve Pott  
Region 22, Chair

RE: Region 22 Plan Amendment

Dear Mr. Pott:

As Chairperson of the Region 15 (Iowa) Regional Planning Committee, I am pleased to provide you with this letter of concurrence and approval of the Region 22 (Minnesota) amended 700 MHz Plan that you sent to me on December 14, 2007. Region 15 supports the proposed amendments to the Plan and find that they follow the currently established CAPRAD database which provides a coordinated allocation of frequencies across regions.

Please feel free to contact me for any further information or assistance that you may need from the Region 15 RPC.

Sincerely,

A handwritten signature in cursive script that reads "Richard A. Hester".

Richard Hester  
Chair  
Region 15 RPC

Steve Pott, Region 22 Chair  
700 Mhz Minnesota Planning Committee  
15015 62<sup>nd</sup> Street North  
Stillwater, MN 55082-3801

Dear Mr. Pott,

The State of South Dakota has not yet convened a 700 Mhz planning Committee. As Convenor of Region 38, I am responsible at this time for review and approval of adjacent state plans at this time.

I have reviewed Minnesota's plan, and I am in concurrence that the modifications contained therein are satisfactory to the State of South Dakota.

Thank you and I wish you the best as you go forward in the 700 Mhz arena.

Sincerely,

Todd Dravland, Region 38 Convenor  
700 Mhz South Dakota Planning Committee  
BIT/State Radio Engineering

History:  This message has been replied to.

Hi Steve,

Please review the attached letter and see if you think you need any other information or if this will serve your needs. Just let me know and I will make adjustments and send you a signed hard copy.

Thanks  
Rick

RE: Region 22 Plan Amendment

Dear Steve:

In response to your letter dated December 14, 2007 wherein you request review and concurrence with the Region 22 (Minnesota) amended 700 MHz Plan. Please understand that, as discussed, Region 32 (North Dakota) has not yet convened its first 700 MHz regional meeting and has neither formally elected a Chair nor established a 700 MHz Regional Planning Committee.

Therefore, Region 32 (North Dakota) has no formally established or duly empowered authority to officially review and/or concur with the Region 22 (Minnesota) 700 MHz Plan.

Please feel free to contact me for any further information or assistance that I may be able to provide.

Sincerely,

Rick Hessinger  
Convener  
Region 32, North Dakota  
700 MHz Plan

Date 01/30/2008

Mr. Steve Pott, Region 22 Chairman  
Region 22 700 MHz Regional Planning Committee  
Washington County Sheriff's Office  
15015 62<sup>nd</sup> Street North  
Stillwater, MN 55082-3801

Dear Steve:

As Chairperson of Region 45 700 MHz Regional Planning Committee, I am pleased to provide you with this letter indicating Region 45's concurrence and approval of the Region 22 700 MHz plan as received on December 18th of last year. Region 45 supports Region 22's use of the CAPRAD database and its narrowband channel allocation in each county, which can lead to providing a more coordinated border area between our two regions. We in Region 45 plan on keeping abreast of our neighboring regions 700 MHz spectrum management and we anticipate the continuation of the regular regional dialogue the regions have undertaken to further the proper, effective use of 700 MHz public safety spectrum. In the course of the dialogue, we pledge to utilize the CAPRAD database to act as a repository, which allows us to follow the spectrum planning and activities of our bordering regions while making Region 45's planning available to those same regions.

Region 45 congratulates Region 22 700 MHz Regional Planning Committee on the successful development of their plan. Please feel free to contact me should there be any questions regarding the Region 45 concurrence and approval of this plan.

Regards,

Russell Schreiner 01/30/2008  
Region 45 Chairperson
